Dear Cottontail Family,

We hope everyone is doing well and staying healthy through these unprecedented times. Thank you for your concern and sense of community as we care for each other.

With spring blooming and summer approaching, please know your Cottontail Board of Directors has been meeting all year, and now meeting virtually, as we prepare for Opening Day 2020 and the impact of COVID-19. As you know, the situation is changing rapidly. As your Board, we are watching the recommendations and guidelines from the CDC, the county and the state.

As of now, we are working and planning for our Opening Weekend of May 16-17. Of course, we recognize that this date may need to be delayed if mandated to remain closed. We are discussing contingency plans for many scenarios. We will be in communication with you through emails and our website as things progress.

Thank you to our members who have already registered! We will now be honoring our specials until Opening Day, whenever that may be! An abbreviated season would most likely mean prorated fees with credits or refunds at the end of the season. Please see our website for membership details and follow us on Facebook and Twitter. Don't hesitate to reach out to any of your Board members for questions or concerns at [Membership@CottontailPool.com](mailto:Membership@CottontailPool.com) . Again, we will be in contact as we learn more.

Stay healthy and we look forward to seeing you soon at Cottontail!

Sincerely,

*The Cottontail Board of Directors*
